

Welcome Back!

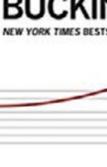

It's hard to believe it's June already, I feel like just yesterday it was snowing. Oh wait, maybe it was? This has been the craziest spring weather I ever remember. Everywhere I look there are jokes, my favorite is this one:

Just thought I would share a little humor this month as we head into summer.

June is filled with graduations, weddings, vacations and summer giveaways! We are back to our summer giveaway time for [Lehigh Valley Zoo](#) tickets! We will be doing some very special giveaways for charities this summer. Keep an eye on our Facebook and linked in pages to see the details..... and keep in mind which charities could really use some tickets.

**Get in control of your bad habits.
It is critical (and not just for productivity's sake).**

Un-Send Recently Sent Emails In Gmail

Ever wish you could un-send an email that was meant for someone else? Now you can. Gmail now offers an undo feature for all of their users. To enable it:

Go to the little cog icon in the upper right hand corner and select "Settings." About a third of the way down the page you'll see the "Undo Send" section. You can choose between 5, 10, 20 and 30 second windows of un-sendability.

Make sure you hit "Save Changes" at the bottom and you're all set!
